

The School Memories Book

As designers, we can create a bespoke item for your needs but we have served on PTAs and know that requirements and budgets vary so we have put together a simple choice to cater for most School or Club leavers. Changes are available within each option. We can email a copy of the pages for your perusal, just let us know if you need anything.

Description of Books

The front and back covers are medium-weight card in a choice of colours. The front cover is printed in black with a design of your choice - we have a selection of artwork or you may email us your own artwork as a jpeg file of less than 1mb. The A6-size pages are held together with a coiled wire binding, enabling pupils to easily keep the book open at any page.

There are 30 inside pages, 12 are blank for messages (white or coloured paper), the other 18 include: A page about the school (the school can supply these details or let the pupil write them in); the pupils will complete the rest of the pages themselves from suggested headings throughout, e.g. Pupil's personal details (name, age, height, etc. plus hobbies, favourite things, etc.); Best friends, Other friends (names, contact information); Earliest school Memory; The best thing /funniest thing that ever happened at school; More school memories, achievements and successes, hopes for the future, school trips, and projects, school plays, special days and other fun stuff. There is also provision for including a class photograph, in colour, if supplied. Names of the pupils in the photograph may be added, if provided, or the pupils can add the names to their own books.

Class Photo Option, minimum order 20 books, price from £2.50

As described above. Please see our current price guide as this may change with printing and paper costs. You supply as much or as little as you want and leave the rest to us. There is a one-off set-up fee per school/club, after which we make annual amendments free of charge and you just pay for the books.

'No photo' Option, minimum order 20 books, price from £1.95

As described but without the class photograph page. Please see our current price guide as this may change with printing and paper costs. You supply as much or as little as you want and leave the rest to us. There is a one-off set-up fee per school/club, after which we make annual amendments free of charge and you just pay for the books.

DIY Option, no minimum order, very low budget

You supply as much or as little artwork and information as you want, we shall prepare the final artwork as 4-up per A4 sheet and email this to you for printing/copying and binding in-house. There is a one-off fee per school/club - please see our current price guide.
